Dear Residents and Team Members,

We hope this letter finds you safe and well.

As the number of people infected with the virus continues to grow across the country, we strongly urge you to stay home for Thanksgiving.

It is, of course, your decision and we know you will do everything you can to keep yourself and others safe. After a great deal of thought we are putting the following safety precautions in place:

1. If you decide to go to family, friends, or a restaurant for Thanksgiving, we ask that for 14 days after you return you refrain from the dining room, resident gatherings, meetings, and programs in person. This is not a full stay in your apartment quarantine.
2. Please continue to self-monitor and notify your Health Services Director if any symptoms develop.

We are extremely grateful for everything you are doing by wearing masks, social distancing, and washing your hands regularly.

If you have any questions, please get in touch with your Executive Director.

With appreciation,

Margaret Mantoni, CEO
Robert Claflin, Executive Director, Applewood
Lori Todd, Executive Director, Loomis Lakeside at Reeds Landing
Maureen O'Toole, Executive Director, Loomis Village
