Loomis Lakeside at Reeds Landing resident

Type of gift ~ Gift Annuity beneficiary  
designation (restricted)

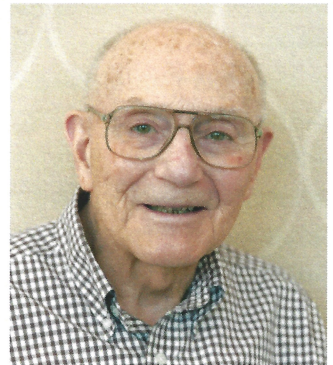

I had no family to provide for or make future plans for. The Loomis Communities and the residents at Loomis Lakeside at Reeds Landing are my family. This gift is my way of saying “Thank You” for the sense of community and care I have received here, and to help ensure that The Loomis Communities can continue its good work for many future generations of residents, staff, and deserving families in need as well.”

### ***Art Gionti***

Applewood resident

Type of gift ~ Entrance Fee Refund  
Designation (restricted)

Our gifts to Applewood and The Loomis Communities allow us to provide a higher quality of life for all of us than could otherwise be experienced from just our fees alone. We are invited to donate our time and talents to participate and contribute to the quality of our experiences here. Our annual financial support makes operating costs more manageable and our lifestyle and programming more robust. And a planned gift can go far beyond that and helps provide for future capital costs and investments in future generations of Applewood and Loomis Communities residents.”

Loomis Lakeside at Reeds Landing resident

Type of gift ~ Percentage of Estate Bequest  
in will (restricted)

Every organization I have chosen to support through my estate is one that is near and dear to my heart. I chose to designate my gift to the Reeds Landing Philanthropic Fund for what it can do for staff members worthy of scholarship support and for residents in need of financial assistance. I hope many others here will join me and do what they can do as well."

Loomis Village resident

Type of gift ~ Entrance Fee Refund  
Designation (unrestricted)

Barbara and I always knew that we wanted to give back to The Loomis Communities in some way, and using our entrance fee refund to make that happen was so easy. We were able to use the investment we made in our own care to provide for the future care of others. The stewardship of these communities to ensure the lifestyle and care of future residents should be a welcome responsibility and privilege for us all!"
